COMMENDATION

Because of many years of hard work Crown Medical has been able to reach a level that has brought commendations of many important people such as the Governor of the State of Florida, J Bush, The Lieutenant Governor of California; and members of Congress.

These commendations make us very proud, but most importantly are the many acclamations and testimonials from our patients.

MOST IMPORTANTLY ARE OUR PATIENTS TESTIMONIALS

Beautiful treatment the nurse is competent my legs do not hurt no pain no swelling I received the people came the clinic but the doctor - Kelly Sant - saved my mind is so sweet thank you

Los Real todos fueron muy buenos y el tratamiento fue perfecto y estoy satisfecha por haberlo hecho pues se que fue muy bueno para mi salud y para sentirme bien físicamente.

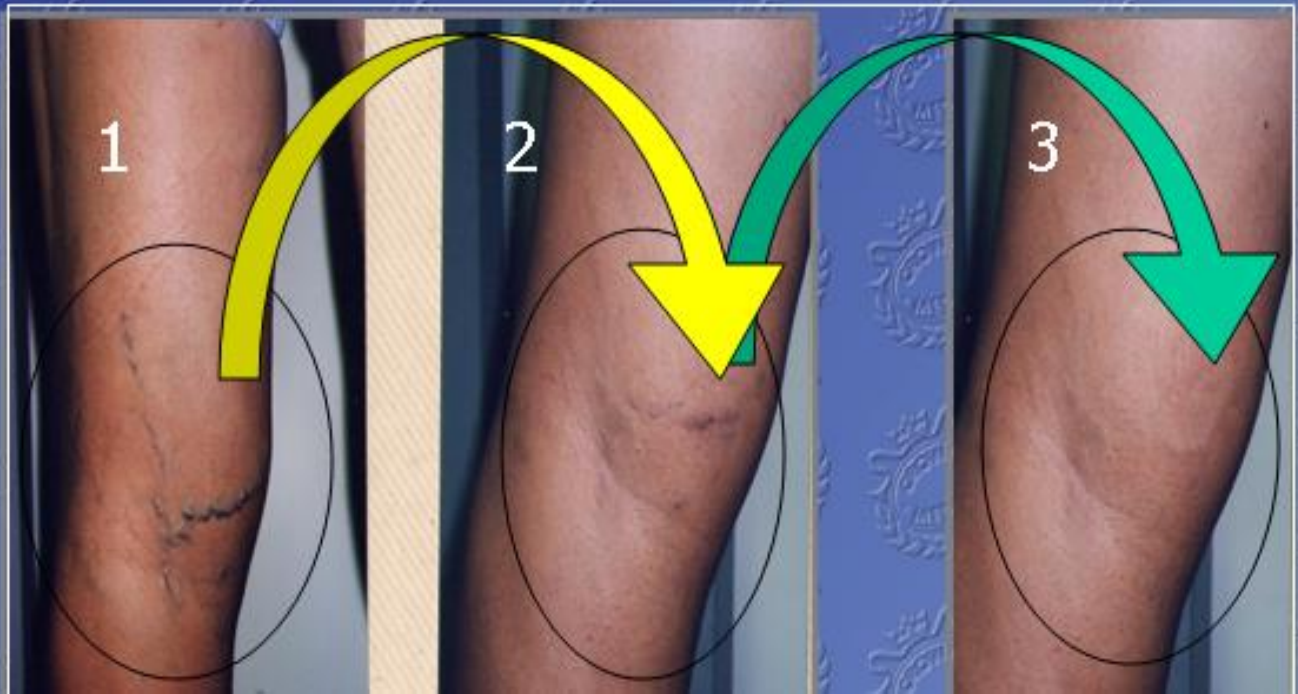

Luz Padilla

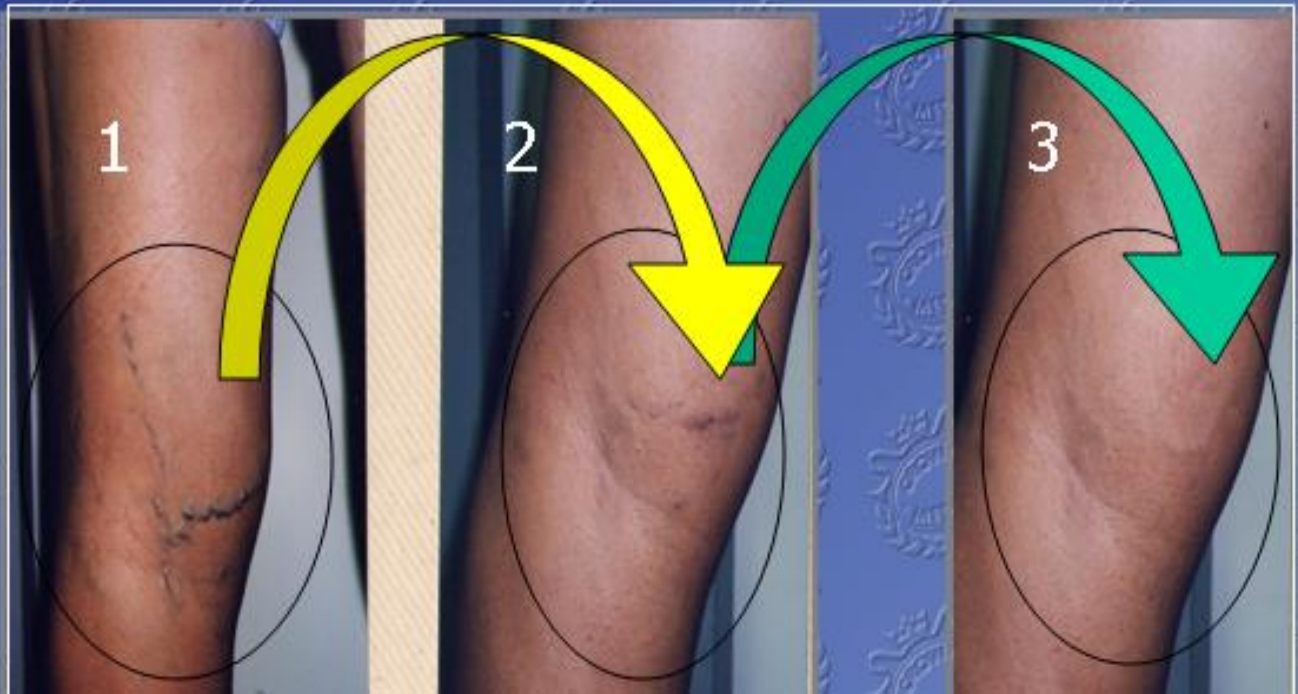

I'm very happy and satisfied with the vein sections Results. Now visible. My nurse Ana did the best. Thank you.

Considero que el tratamiento se formó doble porque hizo una gran mejora y comencé en mis piernas y estoy muy satisfecha y agradecida.
